To all, possible I just go want Lora is looking for. Mike Dorsey just sent me something and need to look at. Lt Col Greg Grant may have most of this. Please give me time to confirm approval to distribute.
thx den

Subject: CDC/ATSDR request for comprehensive water sampling summary, Freedom Industries Charleston WV contam
Importance: High

Hi, Fran

We are desperately trying to get our hands on a comprehensive summary of water testing results from the water treatment plant and distribution system that includes location info in a map format, as well as any more up to date sampling past 1/15/14.

Bob will try to locate this when he arrives in Charleston later today, but any help you all can provide would be hugely appreciated.

Lora
